

Day 1

The Pickett Post

Let us tell you about the Cadet Story

June 24, 2018

Welcome to Encampment 2018

Welcome to Ft Pickett Cadre and students! Yesterday, at 1:00 pm, students began to roll into Fort Pickett to

participate in Virginia Wing's 2018 Encampment. Upon arrival, students reported to their Squadron Commanders and were sent to check in medications and get their luggage shaken-down and checked for contraband. Afterwards, the students said goodbye to their parents and headed to the barracks

where they set up their new gear and met their flight staff.

Later that afternoon, students marched down to building 1702 for the Passing of the Guidons and signing of the Honor Agreements. Major Beeson and C/Lt Colonel Sharp believe the vision and purpose of Encampment is to create “an immersion into the full challenge of cadet life.”
